

KOJO ANTWI PERFORMS AT KARMA CLUB, WASHINGTON D.C., COURTESY “RHYTHM NATION”

The debut and launch of “Rhythm Nation” which featured music legend Kojo Antwi was a success. It was a packed house with over 800 attendees far more than “Rhythm Nation” has expected.

The great evening started with the opening musical Arts including DC-based 4EVER FRIENDS Bands taking the stage with lots of excitement and dancing from audiences and attendees.

One could tell audiences have been missing the live music environment from the two years of the pandemic that shut down most live music events. The 4EVER FRIENDS Band thrilled audiences with some Highlife music classics.

MC Belescony who was the officiating MC for the evening then took to the stage to prepare the audience in excitement to receive The Maestro and Music Man Kojo Antwi.

The entire atmosphere at the venue was ecstatic and electrifying with lots of singing along and dancing when Nana Yaa took the stage along with Kojo Antwi who did a two and half hour lyrical rundown of all his classic love and dance songs.

The audience sang and danced along to all the well-known hits of Kojo Antwi with the attendees not wanting the evening to end. At last, all good things must come to an end and the evening came to end around 2:30 am.

“Rhythm Nation” sees this debut of its dedicated live music production platform that showcases African and Diaspora music as a successful take-off and hopes to continue to build the platform and the brand with many other Musical and Performing Arts in various cities across the globe.
